Memorandum of Understanding

Between

Shri Swami Vivekanand Shikshan Sanstha Kolhapur's
DATAJIRAO KADAM ARTS, SCIENCE AND COMMERCE COLLEGE
ICHALKARANJI, DISTRICT- KOLHAPUR
DEPARTMENT OF CHEMISTRY

And

ANALYTE PHARMA JOB TRAINING INSTITUTE, KOLHAPUR,
RAJARAMPURI, KOLHAPUR.

Both the above mentioned parties wishing to develop friendly and ^{co-operative} relations in the fields of education and research have agreed to establish the, present Memorandum of Understanding (MOU).

1. Subject of the Agreement

Both parties agree to explore the following general forms of cooperation,

1. Collaborative research and project work.
2. Industrial training and sponsored projects for M.Sc and B. Sc. -Chemistry students
3. Joint organization of workshop and seminars on the topics of common interest.
4. Guidance and cooperation to the Department of Technology in its Training & Placement activities.
5. Consultancy and exchange of knowhow on charge basis..
6. Mutual cooperation in developmental work.
7. Extending the help and mediation for any other collaboration in the educational and technology area on charge basis.
8. Any other areas of co-operation as agreed to by the Parties from time to time.

Before proceeding with any such activities^ the parties shall discuss whether it is advisable to enter into a Specific Agreement that includes additional terms and conditions regarding costs, intellectual property, liability, and other matters as the circumstances may require.

II. Obligations of the Parties,

To implement the MOU the parties commit themselves to provide necessary conditions:

- 2.1. Both sides will maintain ongoing communication and circulate essential information in a timely manner.
- 2.2. Both parties agree that all financial agreements necessary to implement this MOU must be negotiated and will depend upon the availability of funds
Neither institution shall have any financial obligation to the other institution based on this Agreement.
- 2.3. Realization of separate concrete research projects within the frames of the MOU will be stipulated in separate, Specific Agreements.

III. Term and Order of Action

- 3.1 This MOU will become effective upon the date of signature by the representatives of the institutions and, if applicable, approval by appropriate authorities.
- 3.2. Either party wishing to make changes or terminate the MOU shall notify the other partner in writing of such intentions no later than three months before the suggested changes should go into effect.

3.3. Each party reserves the right to unilaterally terminate the MOU should the other partner fail to fulfill its responsibilities as stated herein.

IV. Responsibilities of the Parties

4.1 Each party acts on its own behalf in all relations with a third party. Neither party will be responsible for any outside commitments of the other party.

4.2 The parties shall remain independent of one another and nothing herein shall be construed or interpreted, by implication or otherwise, to form a partnership, agency, joint venture or other formal business association.

4.3 Both institutions subscribe to the policy of equal opportunity and do not discriminate on any basis, including but not limited to race, caste, sex, age, ethnicity, religion, or national origin.

V. Signatures

The MOU is written and signed in four copies having equal force, each party receiving two copies for the record.

VI. Legal Addresses of the Parties

Party 1 st	Party 1 st

Subject - Invitation as Resource Person...

As per the telephonic discussion, I am pleased to invite you as Resource Person for one day workshop on “Instrumentation Handling and Career Opportunities in Pharma Industry”. The workshop will be held at our college under MoU with Department of Chemistry on Tuesday, 05th April, 2022 between 11.00 am to 4.00 pm.

We believe that your participation as resource person in this workshop would be a great opportunity for us. Your thoughts, expertise and experience enable to gain knowledge to one and all. We look forward to your presence and guidance.

Thanking you,

Yours faithfully,

(Signature)

Programme Schedule

05 th April 2022		Time: 11.30 AM
Inaugural Ceremony		
Introduction & Welcome	:	Dr. A. A. Ghare HOD, Department of Chemistry, DKASC College, Ichalkaranji
Presidential Remark	:	Dr. V. S. Dhekale, I/C Principal, DKASC College, Ichalkaranji
In presence of	:	Prof. D. A. Yadav, Vice Principal, DKASC College, Ichalkaranji
Vote of Thanks	:	Ms. S. S. Pujari, Department of Chemistry, DKASC College, Ichalkaranji
Programme Flow		
Session I		Time: 12.00 pm.
Introduction	:	Dr. D. A. Kumbhar Department of Chemistry, DKASC College, Ichalkaranji
Expert Lecture	:	Hon'ble Mr. Pramod V. Mane, Analyte Pharma Job Training Institute Kolhapur
Title of Lecture	:	Instrumentation Handling in Pharma Industry
Vote of Thanks	:	Ms. P. A. Mongunde, Department of Chemistry, DKASC College, Ichalkaranji
Lunch/Tea Break		Time: 1.30 pm to 2.00
Session II		Time: 2.00 pm
Expert Lecture	:	Hon'ble Mr. Pramod V. Mane, Analyte Pharma Job Training Institute Kolhapur
Title of Lecture	:	Career Opportunities in Pharma Industry
Concluding Remark & Vote of Thanks	:	Ms. S. S. Pujari, Department of Chemistry, DKASC College, Ichalkaranji
Anchoring	:	Ms. S. B. Fadatara

P. G. Department of Chemistry

Report

One Day Workshop on

“Instrumentation Handling and Career Opportunitites in Pharma Industry”

Organized by Dept. of Chemistry,

Conducted on Tuesday, 05th April 2022

Department of Chemistry and IQAC of Dattajirao Kadam Arts, Science and Commerce College, Ichalkaranji organized one day workshop on “Instrumentation Handling and Career Opportunities in Pharma Industry” under MOU with Analyte Pharmajob Training Institute, Kolhapur. This workshop was conducted for M.Sc.I and B.Sc. III students on Tuesday, 05th April 2022 in college auditorium from 11.30 am onwards. The workshop started with lightening the lamp by Chief Guest and Resource Person Mr. Pramod V. Mane (Founder) Analyte Pharmajob Training Institute, Kolhapur, Principal Dr. V. S. Dhekale and all the dignitaries. Welcome and Introductory speech was given by Dr. A. A. Ghare HOD, Dept of Chemistry. She explained about the need for conducting such workshop as after completion of B.Sc. degree about 50% students are in need of job and searching the job in pharma industry. Pharma industry is one of the huge sector that provides job to Chemistry students. In Presidential address Dr. V.S. Dhekale Principal, DKASC College, Ichalkaranji motivated the students to attend such workshop related to skill development

and career opportunities and also to perceive higher degree like M.Sc. to increase the possibility to get the job and attractive salary. He said that there are ample opportunities to Chemistry students in pharma industries for research as well as marketing. This workshop brings the students on platform of innovation, development and marketing. Being a commerce teacher, he explained important things about marketing. The inaugural function was ended with vote of thanks by Ms S. S. Pujari.

First session started with introduction of Resource person Mr. Pramod V. Mane by Dr. D. A. Kumbhar Sir. In expert talk Mr. Pramod V. Mane explained the importance of knowledge and skills for getting job in industry. He emphasized on understanding concepts in Chemistry, which should be very clear in mind, well understood and not by heart. He told that degree in Basic Sciences (B.Sc., M.Sc.) is not inferior, as the research work done by these students is applicable for doctors and engineers and useful for human welfare and industrial development. He motivated students to get post-graduate degree. Industrial growth is due to knowledgeable person and not due to referenced person. So industries are in search of such knowledgeable, skilled, hardworking candidate to offer a job. So developing these qualities in chemistry students is very essential thing. First session was ended by vote of thanks by Miss

In second session Mr. P. V. Mane emphasized on five concepts for career opportunities and getting job in Pharma industry. These are as follows.

- 1) Do the career in that field in which you have taken education. For example, manufacture of drugs, quality control for chemistry students.
- 2) Take higher education i.e. obtain post graduation degree as it provide you more job opportunities and better salary. For e.g. B Sc Chemistry student should get M.Sc (Chemistry) degree.
- 3) Improve your skills by exploring your hidden potential.
- 4) Prepare yourself for Mock interview, it gives stage daring and builds up your

self confidence.

5) Follow marketing strategies. Your resume should be best for getting a job.

The guidance regarding the marketing jobs in pharma industry was provided by Mr. Tukaram Satpute. In his expert talk he explained the career opportunities related to marketing jobs in Pharma industries. Marketing sector requires knowledgeable and hard-working candidates. Students should develop interest in marketing and come forward in this sector as lots of job opportunities are waiting for them. The second session was ended by vote of thanks by S. S. Pujari.

For this workshop anchoring was done by our M.Sc. Part I students Miss Shrutika Gadekar and Mr. Prasad Patil.

The workshop was very informative and provided the participants with valuable knowledge on career and job opportunities in pharma industry. Also it was helpful for creating awareness about developing soft skills and building self confidence. For this workshop about 150 students and teachers participated and benefited by this workshop and they love the event as a whole. The credit of grand success of this workshop goes to efforts taken by Dr. D. A. Kumbhar Sir and organising team.

Session I Mr. Pramod V. Mane	✓				
Session II Mr. Pramod V. Mane	✓				
Registration Process		✓			
Overall Workshop Organization	✓				

What are the Strength and weaknesses of the event?

A workshop may introduce a new idea, inspire participants to further explore it on their own, or may illustrate and promote actual process practice.

Your Suggestions/Comments for the further Improvements.

Looking to this type of work-shop, I expect in future department will arrange same these type of work-shop
