Subject: Letter of Appreciation

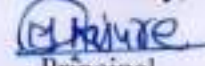

Dear Students,

We are very much thankful to prepared and shown the PPT on new job opportunities through Agriculture 23 Feb 2019. The achieving pointed out that how negative attitude can be changed into positive and how agriculture is a beneficial and profitable business if we combine it with research and modernization there **Pearl Farming** is a good in investment and it requires fewer efforts. If the farmers implement the scheme or Pearl Farming them future is bright such project is put before the students. Now days, farming are a business in deficit and unpredictable income, so, there is a need to develop new techniques through research. New business of Pearl Farming is developing.

So the students interested in farming should try to know the new technique of pearl farming. Your project was very motivating and enlightening to the students.

Thank you.

Report

A new concept of "Pearl Farming" Department of Economics prepared and shown the PPT on new job opportunities through Agriculture on 23 Feb.2019. Farmers commit suicide due to their negative attitude towards Agriculture. The face problems like sally land, drought, loss in farming and their loans or debts. The achiving pointed out that how negative attitude can be changed into positive and how agriculture is a beneficial and profitable business if we combine it with research and modernization there Pearl Farming is a good in investment and it requires fewer efforts. If the farmers implement the scheme or Pearl Farming them future is bright such project is put before the students.

Economics faculty teaches business-oriented syllabus. It is necessary to find out new business opportunities. Now days, farming are a business in deficit and unpredictable income, so, there is a need to develop new techniques through research. New business of Pearl Farming is developing. So the students interested in farming should tr to know the new technique of pearl farming. This business can be started in low budget/ investment. So the students should try to collect the information through internet agricultural sites and prepare a employment oriented project. All the teachers in Economics department will help them for this work. Inform the students, those who are interest should contact the teachers.
