The true teachers are those
who help us
think for ourselves.

— Dr. Sarvapalli Radhakrishnan

Happy Teachers Day

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher.

In 1962, when Dr. Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said, "Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day". This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mould the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the world. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of BCA department at college campus on *Tuesday, 6th September, 2022* to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future. The students' of TY BCA conducted the lectures of FY and SY students. They took four lectures on the respective class. The junior students are very keen and happy to see that their seniors are taking lectures and all very serious about the lectures. Lot of them had decided to conduct lecture when they become seniors.

The students decorated the college auditorium with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties was given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. Teachers Day was celebrated with a lot of anticipation, for the sheer spirit of the occasion. The event was concluded by the reviews of Principal Sir, Head of the Department and all the faculties.
