Shivaji University, Kolhapur B.A. / B. A. B. Ed.

DSC II: Human Geography-II (Geography) as per NEP 2020

Name of the Programme	:	B. A. / B. A. B. Ed. (Geography)	
Class	:	B.AI / B. A. B. EdI	
Semester	:	II	
Name of Vertical Group	:	DSC II (V-1)	
Course Code	:	BAU0325MMH222B02	
Course Title	:	Human Geography -II	
Total Credit	:	04	
Workload	:	04 credit X 15 Hours = 60 hours in semester	
Duration	:	Semester	
Medium of instruction	:	Marathi / English	
Eligibility of Admission	:	As per eligibility criteria prescribed by the University	
Examination of Pattern	:	80:20	
Nature of Question Paper	:		

Preamble:

Welcome to Human Geography at the B.A.-I/ B. A. B. Ed.-I level! Explore what it is and its branches. Dive into how people interact with their environment through determinism, possibilism, and probabilism. Understand why Human Geography matters. Learn about population distribution, especially in India, and discover how economic activities and settlement patterns shape our world.

General Objectives of the Course:

- 1. To learn what it is, its branches, and key ideas about how people relate to their environment.
- 2. To figure out why people live where they do globally and especially in India. Explore solutions to India's population challenges and discover what Malthus thought.
- 3. To explore mode of transport and discover the different types of jobs we have today.
- 4. To study the basics of Human Development Index (HDI)

Course Outcomes:

By the end of the course, students would be able to:

- 1. The student will understand the basics of Human Geography through its branches, and the man-environment relationships.
- 2. Population Awareness: Students will gain insights into factors influencing global and Indian population distribution, addressing overpopulation challenges and examining Malthus' population theory.

- 3. The students will learn the spatial relationship between Transportation and Economic Activity.
- 4. The students will get knowledge of Human Development Index (HDI) and will played pivot role in human development.

Nature of Question Paper:

The student's examination and evaluation methods are as per the guidelines of the Shivaji University, Kolhapur.

• Internal evaluation should be based on Home Assignment/Unit Test/Case Study

Modules						
Module No.	Module Name	Sub-module	No. of hours	Credit		
1	Introduction to Human Geography	 1.1 Definition, nature and scope of human geography. 1.2 Branches of human geography 1.3 Concepts of man-environment relationship - determinism, possibilism and probabilism 1.4 Importance of Human Geography 	15	01		
2	Population	 2.1 Population growth and distribution in India and the world. 2.2 Characteristics of Population: Birth rate, Death rate, Density and Literacy 2.3 Problem of over population of India and remedial measures. 2.4 Malthus theory of population 	15	01		
3	Transportation and Human Development Index (HDI)	 3.1 Modes of Transportation 3.2 Accessibility and Connectivity (Google Map) 3.3 Weber Theory of Industrial Location 3.4 Components of HDI and Importance of HDI 	15	01		
4	Practical	4.1 Birth rate and Death Rate4.2 Population growth rate4.3 Population density4.4 Transport Network Graph Theory	15	01
