

SOME USEFUL ONLINE RESOURCES AND LINKS RELATED TO ZOOLOGY.

National Center for Biotechnology Information (NCBI):

- NCBI - Zoology
- Provides taxonomic information and resources for different animal species.

2. Encyclopedia of Life (EOL):

- [Encyclopedia of Life](#)
- A comprehensive database providing information about all known species, including animals.

3. Integrated Taxonomic Information System (ITIS):

- [ITIS](#)
- Offers authoritative taxonomic information on plants, animals, fungi, and microbes of North America and the world.

4. ARKive:

- [ARKive](#)
- An online database of videos, images, and facts about endangered species.

5. IUCN Red List of Threatened Species:

- [IUCN Red List](#)
- Provides information on the global extinction risk status of animal species.

6. Smithsonian's National Museum of Natural History - Department of Vertebrate Zoology:

- [Smithsonian Vertebrate Zoology](#)
- Offers resources and information about vertebrate zoology.

7. Zoological Society of London (ZSL):

- [ZSL](#)
- A conservation organization with valuable resources and information on animal conservation.

8. Animal Diversity Web (ADW):

- [Animal Diversity Web](#)
- Online database of animal natural history, distribution, classification, and conservation biology.

9. The MarineBio Conservation Society:

- [MarineBio](#)
- Resources and information on marine biology and conservation.

10. Biodiversity Heritage Library:

- [Biodiversity Heritage Library](#)
- Offers a wealth of biodiversity literature, including books and scientific journals.

11. American Society of Mammalogists:

- [ASM](#)
- Provides resources and information related to the study of mammals.

12. **The Ornithological Council:**

- [Ornithological Council](#)
- A resource for ornithologists, including news, forums, and job listings.

13. **Global Biodiversity Information Facility (GBIF):**

- [GBIF](#)
- An international network and data infrastructure for biodiversity data.

some online resources related to Zoology in India.

Zoological Survey of India (ZSI):

ZSI Website

The official website of the Zoological Survey of India, providing information on research, publications, and biodiversity in India.

Biodiversity of India:

Biodiversity of India

A collaborative platform for sharing information on India's biodiversity, including species databases and research articles.

Indian Journal of Zoology:

Indian Journal of Zoology

An online journal publishing research articles in the field of zoology.

Digital Repository of Zoological Survey of India:

ZSI Digital Repository

A digital repository providing access to publications, reports, and databases related to the fauna of India.

Indian Academy of Sciences - Animal Sciences:

IAS - Animal Sciences

Information on journals and publications related to animal sciences in India.

National Biodiversity Authority (NBA):

NBA Website

The official website of the National Biodiversity Authority, providing information on biodiversity conservation in India.

Indian Institute of Science Education and Research (IISER):

IISER - Mohali

Check the websites of IISER campuses for zoology-related research and academic programs.

Indian Society for the Study of Animal Behaviour (ISSAB):

ISSAB

A society promoting the study of animal behavior in India, with information on conferences and publications.

Wildlife Institute of India (WII):

WII Website

The official website of the Wildlife Institute of India, offering resources on wildlife research and conservation.

e-Journals from NISCAIR:

NISCAIR e-Journals

Access zoology-related e-journals published by the National Institute of Science Communication and Information Resources (NISCAIR).

Indian Council of Agricultural Research (ICAR):

ICAR - National Institute of Animal Nutrition and Physiology (NIANP)

Explore zoology-related research and publications from institutes under ICAR.

Digital Library of India - Zoology Collection:

DLI - Zoology Collection

Access digitized books and publications related to zoology in the Digital Library of India.
