Report

Date: 02/12/2022

Department of Commerce organised a wall paper presentation on different laws and its regulations on 2nd December 2022 for B.Com III students. The response for this activity was tremendous total 8 posters were presented by 61 students on different laws. The activity started at 9:45AM in morning in the college campus. The students presented their posters in a very attractive way. A principal Dr. Anil Patil sir inaugurated the event by cutting the ribbon. Principal Sir was very happy to see the posters on different laws and the presenting skills of the students. He appreciated the students for their efforts. In his speech he encouraged students to do their carrier in law after graduation. The faculty members from all the departments of the college were present for the event. The HOD of commerce department delivered the vote of thanks on behalf of department and students. All the faculty members of commerce department were present.

IMPORTANCE OF GREEN CHEMISTRY

INTRODUCTION
Chemistry has played a major role in the development of modern society. Green chemistry is a new paradigm that aims to design and develop chemical products and processes that are safer and more efficient, reducing the use of hazardous substances and minimizing waste.

THE 12 PRINCIPLES OF GREEN CHEMISTRY

- 1. Prevention of waste
- 2. Atom Economy
- 3. Less Hazardous Chemical Synthesis
- 4. Safer Solvents and Auxiliaries
- 5. Design for Energy Efficiency
- 6. Use Renewable Feedstocks
- 7. Reduce Derivatives
- 8. Design for Degradation
- 9. Real-time Analysis for Pollution Prevention
- 10. Inherently Safer Chemistry for Accident Prevention

THE MAJOR USES OF GREEN CHEMISTRY

Energy: Green chemistry can help in developing the concept of the green energy. It can help in the development of the green energy by using the renewable resources like solar, wind, and hydro.

Water: Green chemistry can help in the development of the green water. It can help in the development of the green water by using the renewable resources like rainwater, groundwater, and surface water.

Waste: Green chemistry can help in the development of the green waste. It can help in the development of the green waste by using the renewable resources like paper, plastic, and metal.

CONCLUSION

Green chemistry is a new paradigm that aims to design and develop chemical products and processes that are safer and more efficient, reducing the use of hazardous substances and minimizing waste.

A Report on Poster presentation activity

“Research In Chemistry and Chemistry in Everyday Life”

Poster presentation activity on the topic “**Research In Chemistry and Chemistry in Everyday Life**” was organized by Department of Chemistry, DKASC College, Ichalkaranji. The activity was conducted on Tuesday, 21st June 2022 at 12. 30 pm. Welcome and introduction was given by Dr. A. A. Ghare, HOD, Department of Chemistry. Inaguration of this activity was conducted by the hands of Dr. Kedar Undale, Assistant Professor, Vivekanand College, Kolhapur.

Dr. Kedar Undale and Dr. Tapase Asmita Assistant Professor, Vivekanand College, Kolhapur examined the posters and guided the students with their valuable words about the emerging trends in research in chemical sciences. This activity was helpful for motivating the students for research in chemical sciences for their bright career.

Total 21 students participated in this activity. The function was ended by vote of thanks by Dr. D. A. Kumbhar Sir. All faculty members were actively participated in this activity.

Department of Mathematics

16th Dec 2021

POSTER REPRESENTATION REPORT

On 16th Dec 2021 poster presentation was organized by Mathematics department. The subject was on the theme –“Applications of Mathematics”. A very nice experience it was! Most students participated in presentation with a great interest. At least there were 18 posters and two models were published with different subjects. The posters - Maths in Forensic, Useful Python software, Application of Mathematics (Airport and Space), Real life application of differential equation, Integral Calculus, Pascal triangle and Binomial expansion, Maths in everyday life, Aryabhata and Models are of Laplace transform and derivative.

Report of Poster Presentation activity

The **Poster Presentation** activity is carried out by our department under the guidance of Dr. C. B. Patil on 3rd March 2020 based on a theme '**Recent Trends in Electronic Technologies**'. Students of B.Sc. III and B.Sc. II class were participated for the same and they designed around 12 posters on various recent technologies such as:

- 1) **RFID – Radio Frequency Identification**
- 2) **5G- Technology**
- 3) **Bluetooth Technology**
- 4) **ZIGBEE Technology**
- 5) **GSM**
- 6) **GPRS**

The inauguration of this function is carried out in the presence of our Prin. Dr. R. R. Kumbhar and Chief Guest Dr. Ashok Ubale, Joint Director, Higher Education, Kolhapur Division, Kolhapur. Dr. Ubale appreciated the work done by our students. He motivated all the participants to be active in doing such activities.

The Poster presentation is open for all the students of our college. Around 200 students have visited this event.

Date: 16/01/2019

In economic theoretical concepts are difficult to comprehensive for the student. So we present them in the form of picture it is an innovative practice.

1. For industrial development there is a need of basic service and new role.
2. Economic development through work

The above concepts are expressed in a nice manner through picture as per instructions the students Pratamesh Potadar, Namrata Yadav ,Karan Power etc. Presenting their pictures through the pictures important features are explained in the class room.

29th December, 2018

Inauguration of Literary Association & Publication of The Manuscript on V.S. Naipaul.

I really appreciate efforts of students who made excellent wall papers on environment and literature.

You have conveyed a very good messages like ~~set~~ 'save water' and rustic life.

I am impressed by an issue of the wall magazine, 'Environment and literature'.

Hearty Congratulations to all.
