Activity - Brain storming

B.com III year

Topic: Total Quality Management

26th Feb 2020

On 26th of Feb B.com III year students gathered in the classroom for brain storming. We participated & discussed about quality management. We have studied many techniques of quality management in the our ~~our~~ M.M.P. subject: ~~the~~ Quality. in an important part in the management. Six Sigma, Kaizen technique, Book marking etc. are used for total quality mgmt. we discussed about the quality & its importance in the quality, maintaining the quality.

According to one wise of six sigma is the best method of maintaining quality.

BRAIN STORMING.

Introduction of budget By V.B. Patil.

Reports

The union Governments budget program was organised for students of B.Com.part 3 and B.A.part 3 on 18-02-2020. Many students have expressed their strong opinion on how the rupee will come and what advantages and disadvantages it has to farmer, entrepreneurs and businessmen.

Brain storming Activity.

Name :-

Class:- B.com III

Date:-

Today in the classroom brain storming activity was conducted. The topic was Union Budget & Economic Development. We B.com III year students gathered in our Classroom for the activity. The subject teachers were present to observe the activity.

Every students were actively participated in the discussion. ~~So~~ I myself also spoke on the topic. This year's Union budget & its impact on economic development. I felt that the this year's budget is not going to give ~~the~~ any economic development. I put my views before others. The main objective behind conducting this activity is that we students should go through the budget & give our opinion about the budget. The discussion among we students was taken for a long time. I myself suggested my suggestion about the changes in the budget.

* plant Cell Structure and It's Organization *

plant cells have a rigid cell walls, a large Central Vacuole, and plastids. The cell wall provides structural support and protection. pores in the cell wall allow water and nutrients to move into and out of the cell. The cell wall also prevents the plant cell from bursting when water enters the cell. Most organelles are common to both animal and plant cells. However, plant cells also plant cells. also have features that animal cells do not have: a cell wall, a large Central Vacuole, and plastids such as chloroplasts.

plant have very different lifestyles from animals, and these difference are apparent when you examine the structure of the plant cell. plants make their own food in a process called photosynthesis. They take in Carbon dioxide (CO_2) and water (H_2O) and Convert them into sugars.

plant cell organelles: organelles are Compartments within cells that do specific jobs. plant cell organelles are specialized for organisms in the plant kingdom, such as multicellular, stationary, and eukaryotic organisms that can make their own food. plant cell organelles are specialized to help maintain structure, such as the water containing Vacuole and the rigid cell wall made of cellulose. The chloroplasts in the plant cell

are organelles that contain chlorophyll and below plant cells to do photosynthesis. photosynthesis is the process that cells use to make their own food using the energy from the sun.

plant cell includes different components inside it that are known as cell organelles. These organelles perform different functions that we will discuss in detail. The organelles are:

- ① cell wall structure: The formation of the cell wall is guided by microtubules which consists of three layers, namely, primary, secondary, and the middle lamella. The primary cell wall is made up of cellulose laid down by enzymes.
- ② cell membrane structure: It is made up of a thin layer of protein & fat.
- ③ Nucleus structure: Eukaryotes generally have a single nucleus, but a few cell types, such as mammalian red blood cells, have no nuclei, and a few others including osteoclasts have many.
- ④ plastids structure: The pigments in plastids not only help in photosynthesis but can also change the color of the cell.
- ⑤ Central vacuole structure: It takes up to 30% of the cell's volume in a fully mature plant cell.
- ⑥ Golgi apparatus structure: It comprises a series of stacked and flattened pouches called cisternae.
- ⑦ Ribosomes: Ribosomes appear flattened and spherical in shape and consist of two major components the small and large ribosomal subunits.
- ⑧ Mitochondria structure: Mitochondria are oval, tubular-shaped, double membrane organelles.
- ⑨ lysosomes structure: lysosomes do not have a particular structure but appear globular or granular in appearance.

18/02/20

Wild plant resources & it's Utilization

- What are wild plants?

The term "wild" plants when applied to plants or plant species refers to those that grow spontaneously in self-maintaining populations in natural or semi-natural ecosystems and can exist independently of direct human action. The term is contrasted with "cultivated" or "domesticated" plants or plant species that have arisen through human action, such as selection or breeding, and that depend on management for their continued existence.

- List of wild plants

- 1) Amaranthus spp.
- 2) Asparagus aphyllus
- 3) Capparis spinosa
- 4) Crepis spp.
- 5) Chenopodium spp.
- 6) Daucus carota
- 7) Eruca sativa
- 8) Cichorium spinosum
- 9) Cichorium intybus
- 10) Cichorium pusillum

* Classification of the main usage categories of wild plants.

- 1] Food plants, including beverages for humans (seeds, fruits, leaves, stems, etc).
- 2] Food additives, including processing agents and additive ingredients used in food preparations.
- 3] Animal food; including forage and fodder for vertebrates
- 4] Bee plants, including pollen or nectar sources for honey production.
- 5] Invertebrates food, including plants eaten by invertebrates useful to humans, e.g. silkworm.
- 6] Materials, including woods, fibres, tannins, latex, resins, essential oils.
- 7] Fuels, including fuelwood, charcoal, fuel alcohol.
- 8] Medicines, including human and veterinary uses.

Brain storming session

Brain storming : msc. I & II on date
17th feb 2020

M.Sc.-Botany

Shri swami Vivekanand Shikshan Sanstha's

Dattajirao Kadam Arts, Science and Commerce**College, Ichalkaranji****P. G. Department of Botany****Brain Storming Report**

P G Department of Botany, D. K. A. S. C. College, Ichalkaranji organized, **Brain Storming** on "Plant cell structure and its organization" for M.Sc. I and "Wild plant Resources and their Utilization" M.Sc. II on Tuesday 18th Feb.2020. Students raise questions and also their views about related topics.

All students participated actively with their views on the topic. All faculty members also participated and guided students.

Report of Brain-Storming Activity

B.A.III (B-Division)

The brain-storming activity on 'NRC' was arranged for B.A.III- (Compulsory Course) on 14 /02/ 2020 in the classroom. The students actively participated in this activity. They expressed their opinions on National Register of Citizens. They discussed the method of implementation of NRC and its effects. The activity motivated the students to think on national issue.

विषय - सी.ए.ए कायदा आणि एन.आर.सी
एन.आर.सी कायदा =

सध्या हे भारतात सुरु असलेल्या सी.ए.ए आणि एन.आर.सी कायदा अंतर्गत अनेक अदीपने हीत असलेली आपण पाहत आहेत. एन.आर.सी हा कायदा लागू करु नये असे वाहत आहे. कारण मला असे वाटते की. भारता जमिनी, विमुक्त जमिनी, मागासवर्गीय हे लोक फुटी मका राज्यात संस्थानात राहत असत त्यांची पुतिकुल परिस्थित असल्यामुळे ते त्यांची पीट भरव्यासाठी वेगवेगळ्या ठिकाणी फिरत असत. आणि हा समाज निरक्षर असल्यामुळे त्यांना फार माहिती नव्हत. यासाठी कायदा नव्हता नरीशुद्ध लोक एकसंध राहत असत. सरकार हे उच्च निज्य लोक करून देण्यास भाग पाडत आहे.

सी.ए.ए -

सी.ए.ए हा असा कायदा आहे की पाकिस्तान, बांगलादेश व अफगानिस्तान या राष्ट्रातील मुस्लिम सोडून बाकीचे जे आपसंबंधात आहे. हिंदू, शीख, बौद्ध, जैन पारशी आणि ईसाई धर्माचे जे सदस्य 31 डिसेंबर पर्यंत जाय जमा

ब्रेनस्टॉर्मिंग

विषय - सीशल मिडियामध्ये मराठी दुर्लक्षित
हीत का.

आजच्या युगामध्ये इंटरनेटला जास्तीत जास्त फायदाचे झाले आहे. प्रत्येक व्यक्तीकडे स्मार्ट मीबाईल मुळे ती इंटरनेटचा उपाय करत आहे. त्यामुळे त्याला नव-नवीन भाषा विकसित होवू लागल्या आहेत ती जास्तीत जास्त इंग्रजी आणि हिंदी भाषेवर जास्त भर दिला जात आहे. ती दुसऱ्या व्यक्तीला आपल्यास करवयासाठी जास्तीत जास्त हिंदी आणि इंग्रजी बोलत आहे.

त्यामुळे मराठी भाषेकडे दुर्लक्ष होत चालले आहे. मराठी भाषा बोलण्याचे प्रमाण कमी होत चालले आहे. हॉस्प, फ्रेझबुक, डिटर एा अंप मुळे मागूस इंग्रजी या महत्त्वातून मोठ्या प्रमाणावर लोकांशी जोडला जात आहे. आताच पिढीमध्ये हॉस्प मध्ये मुकमीकाशी संपेक साधण्यासाठी हॉस्पचा उपयोग केला जातो. मुकमीकाशी इंग्रजी भाषेत संवाद साधला जातो नाहीतरी हिंदी भाषेत संवाद साधतात त्यामुळे मराठी भाषेकडे मोठ्या प्रमाणात दुर्लक्ष होवू लागले आहे. आपण सर्वांनी जास्तीत जास्त मराठी भाषेचा वापर केला पाहिजे मराठी माणसे ही मोठ्या प्रमाणात इंग्रजी हिंदी या भाषांचा वापर करत होते. हा वापर थांबवावा आणि मराठी भाषांचा वापर खुलू करावा. मराठी लोक आपल्याला मुलांना इंग्रजी मराठी शाळेत न घेता आपल्याला मुलांना

Report

ब्रेन स्टॉरमिंग

सोशल मीडियामध्ये मराठी दुर्लक्षित होते का ?

दिनांक 11/ 2 /2020 रोजी डी. के. ए. एस. सी. महाविद्यालयामध्ये मराठी विभागांतर्गत विद्यार्थ्यांच्या ब्रेन स्टॉरमिंगसाठी 'सोशल मीडियामध्ये मराठी दुर्लक्षित होते का ?' या विषयावर व्याख्यान आयोजित केले होते. या उपक्रमांमध्ये बीए भाग 2 व 3 या वर्गातील विद्यार्थी - विद्यार्थिनी बहुसंख्येने उपस्थित होते. आज-काल मराठी भाषा सोशल मीडियामध्ये दुर्लक्षित होत आहे, त्याची कारणे विद्यार्थ्यांनी आपल्या मनोगतात सांगितली व उपायही सुचविले !

त्यांच्या मतानुसार मराठी भाषेबद्दल विद्यार्थ्यांच्या मनामध्ये अभिमान व जागृती निर्माण झाली पाहिजे तसेच फेसबुक व्हाट्सअप ट्विटर व ब्लॉग अशा ठिकाणी आपल्या मनातल्या भावना मराठी मधूनच मांडल्या पाहिजे असेही काही विद्यार्थ्यांनी मत मांडले. तसेच या सोशल मीडियामध्ये मराठी भाषा वापरण्यासाठी एका पेक्षा एक सोपे ॲप्स निर्माण झाले पाहिजे असे उपाय सुचविले.

FOOD ADULTERATION AND IT'S SOLUTION

Food Adulteration refers to process by which the quality or the nature of a given food is reduced through addition of adulterants or removal of vital substance. The most commonly adulterated foods include milk and milk products, atta (wheat flour), dal (pulses), oils (all cooking oils such as mustard oil and olive oil), ghee, cereals, spices, pulses, coffee, honey etc. The table here highlights dangerous adulterants found commonly in food stuff. A food is adulterated if it omits a valuable constituent or substitutes another substance, in whole or in part, for a valuable constituent (for instance, olive oil diluted with tea tree oil); conceals damage or inferiority in any manner (such as fresh fruit with food coloring on it's surface to conceal defects);

Avoid choosing product in loose packaging use water after properly purifying it. A combination of purification methods like water purifier, heating, etc. can be used to ensure quality. often we miss out on water quality which is one of the major sources of food contamination.

These are food Adulteration tests are milk which detected by water. put drop of milk on a polished slanting surface, Honey, 6 pure Honey Tests, Tea-TC, oils. Detection of other oils in coconut oil, sugar. Detection of sugar in Honey

Brainstorming

Subject - Food adulteration and its solution

Food acts as an energy source for the organisms that help to grow and sustain life. In order to maintain the proper hygiene and the safe supply of food products the food quality should be checked regularly.

Because food adulteration is one of the serious challenges in the Indian society. Adulterated food is nothing but the food that generally impure or unsafe. Food adulteration is an act of adding or mixing of pure quality, harmful, useless or unnecessary substance to foods. Thus act of spoiling the nature and quality of food item it is considered as a food adulteration.

Food Adulteration is also defined as intentional addition of non-permitted foreign material there are many reasons for food Adulteration.

Like To get more profit increase the weight, to increase volume of trade by showing lower price adulterant is added in that food.

e.g

Today milk adulteration is one of the most common adulteration in india. Milk is most commonly diluted with water, this leads lose in its nutritional value and water contaminates milk ensuring health problems, Apart from water, many kinds of liquid such as sava milk starch, groundnut milk and wheat flour are added to milk.

Food Adulteration can have a range of harmful effects on health. It can not only lead to toxicity in the body but also eventually death...

Some of the adulterants are highly toxic for the body leading to heart failure, liver disorders, and many more.

Now we are educated so it is necessary to identify safe or adulterant food and also there are awarness about Food Adulteration.

Food Adulteration

Food adulteration refers to the process by which the quality or the nature of a given food is reduced through addition of adulterants or removal of vital substance.

Food is adulterated if :

- The food sold does not meet the nature of the substance or quality as per the demand of consumer.
- The food contains inferior or cheaper substance.
- It is an imitation of some other food substance.
- Food contains substances that depreciates or injuriously affects the health.

Causes of food adulteration:

- Profit motive of traders: Done as a part of the business strategy.
- Food insecurity: To increase quantity of food production & sales.
- Lack of government initiative.

Types of Food adulteration

- 1) Intentional adulteration - The adulterants are added as a deliberate act with intention to increase profit. e.g. sand, marble chips, stones etc.
- 2) Incidental adulteration - Adulterants are found in food due to negligence, ignorance or lack of proper facilities. e.g. packaging hazards like larvae of insects, droppings etc.
- 3) Metallic adulteration - When the metallic substances are added intentionally or accidentally. e.g. arsenic, lead from water.

Some Commonly adulterated foods in the market.

- Turmeric, dals and pulses -
Adulterant - Metanil yellow and kesaridol.
Health hazard - Highly carcinogenic, stomach disorders.
- Mustard seeds - Argemone seeds, Papaya seeds.
Health hazard - Epidemic dropsy & severe glaucoma.
- Ice-cream -
adulterant - Pepperonil, ethylacetate, washing powder etc.
Health hazard - Pepperonil is used as pesticides & ethylacetate causes diseases affecting lungs, kidney & heart.
- Coffee powder -
adulterant - Tamamind seeds, chicory seeds.
health hazard - Diarrhea, stomach disorders, giddiness & severe joint pains.

Report

Brain Storming

The Department of Chemistry have organized Brain Storming on Food Adulteration and its solution for the B.Sc II students on dated 14th Oct 2019. The event was held at Auditorium hall. The function was begins at 12:30 pm. The purpose behind organizing this event is to food security awareness. The introductory speech was given by head of Chemistry dept. Dr. A. A. Ghare. In this event 12 students have participated. Some of our faculty members of our department along with head of the department also participated in this event. This function was completed with vote of thanks given by Miss. Fadare S. B.

Brain - Storming

Education System Needs to - Focus on Practical knowledge Reduce & manage syllabus, opting technology as a substitute.

Education is most important for human beings. But nowadays the education system is changed day by day. It is not sufficient. It is mainly based on the theoretical knowledge rather than practical knowledge.

The students play no active role in attainment of knowledge. Things are loaded on his mind which he cannot digest. The existing system of our education is predominantly academic & theoretical. The student is taught lessons by books, but not lessons from life. In other words he is provided with knowledge but not with wisdom.

In a way our education has been a past time luxury, a Ferris like chalk, black coloured black board or black board, wooden benches etc. We have to change this past time luxury with modern things and new modern technologies like projector, LED screen, new style benches etc. Because of that students get interest in education. They feel excitement or excitement in solving problems etc.

The education system is changed by practical knowledge. Like display or do the syllabus and chapters practically on screen.

Teachers have to teach practically like to do & or di

When this practise starts early at the school level, then the advantages increases as time advances. Young minds are more susceptible & capable of learning concept faster.

So # Our education system needs to be change.

Difference between GAAP & IFRS
Advanced Accountancy Paper-I

NAME :- Miss. Reema Ramnarayan Kesrawani

ROLL NO. :- 5641

CLASS :- B.com III

SUBJECT TEACHER :- Rodrigues R.S.

GAAP :- (Generally Accepted Accounting principles)

IFRS :- (International financial Reporting standards)

K
C 12

FOR EDUCATIONAL USE

Topic: _____

Date: _____

Page: 3

International financial reporting standards (IFRS) are a set of international accounting standards, which state how particular types of transactions and other events should be reported in financial statements. IFRS are issued by the International Accounting Standards Board (IASB), and they specify exactly how accountants must maintain and report their accounts. IFRS was established in order to have a common accounting language, so business and accounts can be understood from company to company and from country to country.

More than 100 countries around the world have adopted IFRS, which aim to establish a common global language for company accounting affairs.

Topic: _____

Date: _____

Page: 2 _____

Difference between GAAP & IFRS

GAAP vs. IFRS :- An Overview

The standards that govern financial reporting and accounting vary from country to country. In the United States, financial reporting practices are set forth by the Financial Accounting Standards Board (FASB) and organized within the framework of the generally accepted accounting principles (GAAP). Generally accepted accounting principles refer to a common set of accepted accounting principles, standards, and procedures that companies and their accountants must follow when they compile their financial statements.

K

C 12

FOR EDUCATIONAL USE

Topic: _____

Date: _____

Page: 4

GAAP :-

If a company distributes its financial statements outside of the company, GAAP must be followed. If a corporation's stock is publicly traded, financial statements must also adhere to rules established by the U.S. Securities and Exchange Commission.

GAAP addresses such things as revenue recognition, balance sheet, item classification, and outstanding share measurements. If a financial statement is not prepared using GAAP, investors should be cautious. Also, some companies may use both GAAP- and non-GAAP-compliant measures when reporting financial results. GAAP regulation require that non-GAAP measures are identified in financial statements and other public disclosures, such as press releases.

C 12

FOR EDUCATIONAL USE

Topic: _____

Date: _____

Page: 5

IFRS :-

The point of IFRS is to maintain stability and transparency throughout the financial world. IFRS enables the ability to see exactly what has been happening with a company and allows businesses and individual investors to make educated financial decisions.

IFRS is standard in the European Union (EU) and many countries in Asia and South America, but not in the United States. The Securities and Exchange Commission won't switch to International Financial Reporting standards in the near term, but will continue reviewing a proposal to allow IFRS information to supplement U.S. financial filings. Countries that benefit the most from the standards are those that conduct a lot of international business and investing.

C 12

FOR EDUCATIONAL USE

Topic: _____

Date: _____

Page: _____

Key Differences :-

The primary difference between the two systems is that GAAP is rules-based and IFRS is principles-based. This disconnect manifests itself in specific details and interpretations. Basically, IFRS guidelines provide much less overall details than GAAP. Consequently, the theoretical framework and principles of the IFRS leave more room for interpretation and may often require lengthy disclosures on financial statements. On the other hand, the consistent and intuitive principles of IFRS are more logically sound and may possibly better represent the economics of business transactions.

Report

Date: 7/10/2019

Department of Commerce has organised brain storming activity for Bcom III students. The brain storming session was conducted on 'Difference between GAAP and IFRS'. Students have enthusiastically participated and actively discussed and raised some points like meaning of GAAP and IFRS, Accounting standards, need and importance of IFRS, the distinction between GAAP and IFRS. The thorough two way discussion was taken place.

REPORT ON BRAIN STORMING HELD IN DEPARTMENT OF MATHEMATICS

Department of Mathematics organized its annual activity,

Brain Storming on oct 2019 for the B.Sc. II and B.Sc. III .

Subject of Brain Storming :-

| Class | Title of the brain storming | Date |
|-----------|---|------------|
| B.Sc. II | A mobile without Internet is like a body without soul. | 01/10/2019 |
| B. Sc.III | Education System needs to – focus on Practical knowledge , reduce and manage syllabus , opting Technology as a substitute . | 09/10/2019 |

Brain Storming is supposed to be about harnessing the power of thinking outside the box to solve that impossible problem. It's the magic that helps students to find amazing , unique ideas.

Students are able to think more freely and they suggest as many spontaneous new ideas as possible. All the ideas are noted down without criticism and after the brainstorming session the ideas are evaluated.

Brain storming.

"A mobile without internet is like a body without soul."

Now a days, we can't imagine our life without mobile. It becomes a need of our life. But mobile without internet is a laughing thing for us. That means the mobile has necessary internet. Today's situation is really like a "A mobile without internet is like a body without soul". We can't guess our life without internet. Hence it is true that mobile should have internet.

From morning to night in daily we always use internet. Our day starts with mobile - good morning message and ends with night - good night message. Internet gives us information about daily news, updates, entertainments and so many things are available on mobile. It is due to only of internet. In not only entertainment but also educational field acquires importance of mobile with internet.

A body without soul means there is nothing in life like this a internet ~~at~~ mobile without internet is nothing in mobile.

BSC - II

Brain - storming

“ A mobile without internet is like a body without soul ”

Today, I am tell about a mobile internet is like a body without soul. Own life human body essential and need to brain. thus same as a mobile without internet is like a body without soul. Human are used to brain they have no use brain like a soul. Mobile are essential to man. Man have used to mobile. They have no internet no use mobile are silent mans.

Internet is the invention of modern and high technology science. It provide us amazing facility of searching any information from any corner of the world by anyone. We can connect more than one network.

From the time internet has come in our life, our world has become changed to a great extent in the positive ways however in the negative ways too.

Internet is very useful for google maps.

Brain - Storming:

"A mobile without internet is like,
a body without soul."

If you don't have internet access at all, it's totally useless because you can't install the apps. can't use the gmail, calendar, whatsapp, messenger, Google, etc.

If mobile without internet as you can't see/saw the movies in you tube. and as well as you can't see television shows, serials and web series etc. Today's date more apps available in mobile which you have to choose in daily soup. like roots, hotstar, Zee5, Altra balaji, etc. and without internet they are all useless for us.

In mobile you have to learn more things in the world. You can learn more to languaguse, lectures, etc. And any subject which you want to get info information in the mobile. you we are see the world wealthy persons life style and there books reads online in the google.

Then you just think, without internet in mobile is like thought-less, and Thinkless.

विषय :- आजची शिक्षण पध्दती विद्यार्थ्यांच्या गरजा पूर्ण करण्यास योग्य आहे का ?

आजची शिक्षण पध्दती विद्यार्थ्यांच्या गरजा पूर्ण करण्यास योग्य नाहीये. कारण अ किती तरी ठिकाणी शिक्षण घेतलेल्या विद्यार्थ्यांना नोकरी मिळत नाहीये. आज काय पैसे खूप गरजेचा आहे व पै पुढे जावून पैसे मिळवण्यासाठीच शिक्षण घेतल जात पण शिक्षण अपुरे पडत असल्यामुळे नोकऱ्या सहज मिळत नाहीयेत.

शिक्षण घेण्यासाठी आज काय पैसे हि खूप लागतात जरी पैसे घालून शिक्षण मिळवले खूप साऱ्या डिगऱ्या मिळवल्या तरी देखील नोकऱ्या मिळत नाहीयेत. आज काय आपल्याला इंजिनिअरिंग डॉक्टर्स, B.A, B.Com, B.A.C केलेले विद्यार्थी देखील घरीच असतात त्यांना नोकरी मिळत नाही व नोकरी मिळावी असेल तर पगार कमी असतो त्यामुळे घर चालवता येत नाही अ स्वतांच्या गरजा भागवता येत नाहीत. जेवढा शिक्षण घेण्यासाठी पैसे घातल्या जातो तेवढे पैसे देखील नोकरी नून मिळत नाहीत

* विषय -

भाजपी शिक्षण पध्दती विद्यार्थ्यांना गरजा पूर्ण करायला योग्य आहे का ?

* सध्या = प्रा. डॉ. ई. बी. आकळेकर.

भाजपी शिक्षण पध्दती ही विद्यार्थ्यांना गरजा पूर्ण करू शकत नाही. कारण, सध्याच्या युगात शिक्षणाचे हर अनेक प्रकार आहेत. वेगवेगळे कोर्स व डिग्री आहेत. भाजपच्या काळात सरकारी जॉब मिळवणे कठीण आहे. व जॉब मिळवणाऱ्या विद्यार्थ्यां सुध्दा कमीच आहे. काही विद्यार्थ्यां घरची परिस्थिती नसल्यामुळे कॉलेज करून शिकतात व काही विद्यार्थ्यां नुसता काम ने घर करतात. सध्याची महागाई ही विद्यार्थ्यांना गरजा पूर्ण करू शकत नाही याच कारण घेतलेले अपुरे शिक्षण. महागाई राखत विद्यार्थ्यां शिक्षण सोडून घरच्यांच्या परिस्थितीचा विचार करून काम करतात.

Report of Brain storming activity

The **Brain Storming** activity is carried out by our department under the guidance of Assit. Prof. C. B. Patil on 28th September 2019 on a topic 'Design a Microcontroller based Fan speed control system'. Around 11 Students of B.Sc. III class were participated for the same. The event starts with the introductory speech by Assit. Prof. C. B. Patil. He told the design process and flow of general Control systems. Discussion starts with the necessary components required to design automatic control system such as sensors, actuators and controller. Students suggested different types of temperature sensors e.g LM 35, thermocouple, RTD. For actuators they suggested mechanical relay or semiconductor switch such as TRIAC. It is decided to use 8051 microcontroller. Finally a block diagram of overall control system has been created. It is decided to write a software program in Assembly as well as in Embedded-C.

Subject : Regarding permission to Conduct "Brain Storming Activity"

Respected Sir,

With reference to the above cited subject, the *Department of Computer Science, Computer Application* is going to Conduct "Brain Storming Activity" for the all students of B.C.A. on Saturday, September 28th, 2019.

Students will get advance knowledge and definitely they would be benefited. So, I request you to please give us the permission to arrange the same at our college.

Thanking you,

Granted

Yours faithfully,

(Mr. Akshay Swami)

"Recent Trends in Marketing"

Marketing is an old strategy of connecting with the people at the right time. Today, we get to do this by using digital marketing refers to advertising about the product using social media, website, email, and mobile applications. It uses all marketing efforts that use the internet while the basic ideas of marketing remaining the same. But new ideas arise like social media use, search advertising, ~~SEO~~ SEO-optimization etc.

Following are the digital marketing trends

1) Live video streaming -

It provides the necessary informations to the customers about the reality of the company and makes feel more connected.

2) Video marketing -

Many brands have already started releasing videos on mobile apps like hotstart and amazon.

3) chatbots -

It is used by many companies for services like shopping assistants, website browsing guidance, self services. etc.

4) Voice powered search -

The smartphones come with new features of voice assistants,

e.g - alexa, Siri etc.

5) Next Gen SEO -

The new algorithms provide more specific search results, which provide the users need

and requirements and also remove irrelevant informations from the screen.

6) Artificial Intelligence (AI) -

The computer or robot works on the principle which gathers facts about a situations through sensors and human input. It can perform a task which requires human intelligence. Hence, it is named as Artificial intelligence (AI).

Quest Challenges of new Entrepreneur in modern era.

Ans →

i] Time management :-

It is no surprise that time management is one of the biggest challenges of modern entrepreneurs. Due to the sheer number of tasks that need to be taken care of on a daily basis, entrepreneurs can easily become overwhelmed and succumb to procrastination. This is why it's important for entrepreneurs to their tasks, set realistic deadlines, and take advantage of task management tools such as Trello or Asana to stay on track with their goals.

ii] Networking :-

Making connection with potential customers, partners, investors and their professionals can be an invaluable asset when it comes to growing a business. However, due to the intimidating nature of networking events and the lack of resources or time, many entrepreneurs tend to neglect this important task.

iii] Market Research :

In order to create a successful product or service, it's essential that entrepreneurs conduct market research on their target demographics in order to better understand the needs and interests of their customers. This can be done by reading industry reports and researching customer behavior online.

"Data Mining Tools" (Market basket analysis using sample technique)

Data Mining :-

"Data mining refers to filtering, sorting, and classifying data from larger datasets to reveal subtle patterns and relationships, which helps enterprises identify and solve complex business problems through data analysis."

Market basket analysis is a data mining technique retailers use to increase sales by better understanding customer purchasing patterns. Analyzing large data sets, such as purchase history, reveals product groupings and products likely to be purchased together.

Market Basket Analysis :-

Market basket analysis is a strategic data mining technique used by retailers to enhance sales by gaining a deeper understanding of customer purchase patterns. This method involves examining substantial dataset, such as historical purchase records, to unveil inherent product groupings and identify items that customers tend to buy together.

By recognizing these patterns of co-occurrence, retailers can make informed decisions to optimize inventory management, devise effective marketing strategies, employ cross-selling tactics, and even refine store layout for improved customer engagement.

Report on Brain Storming Activity

A session on Brain Storming Activity was conducted on the 28th September, 2019 was organized by BCA Department and in this Activity 32 students from BCA-I, II, and III participated.

The topics for Brain Storming Activity were as:

Recent Trends in Marketing

Challenges of new entrepreneurs in modern Era

Data Mining Tools (Market Basket Analysis – using Sampling Techniques)

Brain Storming Activity encourages students to take an active role in the learning process. Brainstorming is one of the ways to approach Student-Centered Learning (SCL) because it is an open sharing activity, which is usually conducted in small groups to encourage participation. However, students are often unwilling to speak willingly in the English as a Second Language (ESL) classroom. This study explores the use of brainstorming activities to promote speaking engagement in the ESL. Many students from an urban area participated in the study

Brain Storming

"Advantages and Disadvantages of Smart phone"

• Advantages of Smart phones -

- 1] Smart phone evolved from the exist communication device
- 2] Thus it has been created to primarily improve peoples way to of communicating with each other
- 3] The advent smart phones tech modernized communication.
- 4] It has paved the way to sms text that allow people the instantly communicate to everyone across the globe
- 5] These mobile browsers that enable them to res.

• Disadvantages of smart phones

- 1] phones can be addictive and spending too much time on them can make you socially isolated from the real world.
- 2] smart phones are expensive If you just have the latest all singing all dancing model then you will be paying

✓ Report of Brain-Storming Activity

B. Sc. I (English-Comp.)

English for Communication

The brain-storming activity on 'Advantages and Disadvantages of Mobile/ internet' was organized for B. Sc. I on Monday, 26 /09/ 2019 at 11.15 a.m. in the classroom. The students participated actively in this activity. They expressed their opinions about the use of mobiles and internet. They also talked about advantages and disadvantages of scientific developments. They focussed on the effects of gadgets on the younger generation and the society on the whole. They discussed how to overcome these problems. The activity proved to be motivating the students to think about the social problem.

Brain storming Test

महाराष्ट्रातील सत्ता संघर्ष एक राजकारण

मोदी लोखंड वाडून गेलेल्या काँग्रेसला पुन्हा उभारी मिळवून देण्यासाठी पक्षाचे जोपी गेलले नते जागे झाले आहेत. लोकसभा निवडणुकीची तयारी वटवून कोल्हापुरातून शुकुवारी काढलेल्या जनसंघर्ष यात्रेला जोरदार सुरुवात झाली आहे. भाजपा विरोधी वातावरणाचे या यात्रेतून मतदानात रूपांतर करण्याचे मोठे उद्देश काँग्रेस समोर आहे. या निमित्ताने पक्षातील अंतर्गत संघर्षाला पूर्ण विश्राम दिला तरच त्याचा उपयोग होईल. अन्यथा इव्हेंट केल्याच्या समाधानापलीकडे त्याचा काहीही उपयोग होणार नाही.

जनसंघर्ष यात्रेच्या निमित्ताने खरेखर अंतर्गत संघर्षाला मूठमती देण्याची चांगली संधी होती पण तसे झाल्याचे दिसत नाही. कोल्हापुरात आवाडे गट काँग्रेसमध्ये सक्रीय झाल्याचा दाखला या यात्रेने दिला हे पक्षाला फलदायी ठरणार आहे.

महाराष्ट्राचे मुख्यमंत्री देवेंद्र फडणवीस यांनी एका दिवशी सहा ठिकाणी भेट देवून प्रचार केला. कित्येक वर्ष तड धरून असणारी

Branch Bannstorming Test

महाराष्ट्रातील सत्ता संघर्ष एक राजकारण -
 महाराष्ट्र हे भारतातील विकसित असे राज्य आहे. आपल्या सर्वांना माहित आहे की भारत हा देश लोकशाही शासनावर चालणारा देश आहे. 2014 साली भारतात भाजप ची सत्ता आली. त्यामध्ये नरेंद्र मोदी हे आपल्या भारताचे पंतप्रधान झाले त्यांनी गेल्या पाच वर्षात भारताची वाटचाल विकासाच्या मार्गाकडे नेली. तसेच आपल्या महाराष्ट्र राज्यातही भाजप हि सत्ता आहे. आपल्या राज्याचे मुख्यमंत्री भाजप या पक्षाचे नेते आहेत. तसे म्हणायला गेले तर महाराष्ट्रात अनेक सत्ताधारी पक्ष आहेत. त्यामध्ये, भाजप, काँग्रेस, शिवसेना, मनसे, शब्दवादी पक्ष, असे बरेच पक्ष आपल्याला मिळतात. पण सध्याच्या काळात भाजप हा सत्ताधारी पक्ष चांगली कामगिरी करून सर्व पक्षांना नोंदवशी पाडत आहे. आणि जन्तेला आपल्या बाजूने येत आहे. यामुळे विशेषी पक्षांच्या कमी जागा या निवडून येत आहेत. यामुळे विशेषी पक्षातील सर्व नेत्यांच्या पराभव झाल्यामुळे ते सर्व भाजप या सत्ताधारी पक्षात जात आहेत. यामुळे काही विशेषी पक्ष हे नष्ट होत असल्याचे आपल्याला दिसतात. काँग्रेस हा पक्ष 2014 च्या आधी भारतावर सत्ता कशीत होतो हा पक्ष या पक्षाची स्थापना गांधी घराब्याने केली बरीच वर्षे हा पक्ष सत्ताधारी पक्ष म्हणून काम करीत होता पण 2014 नंतर भाजप या पक्षाने सर्व रेकॉर्ड तोडून टाकले. आणि 2019 ला देखील हा पक्ष सत्ताधारी पक्ष म्हणून निवडून आला.

Brainstorming

Subject

↳ Importance of waste management in college campus on

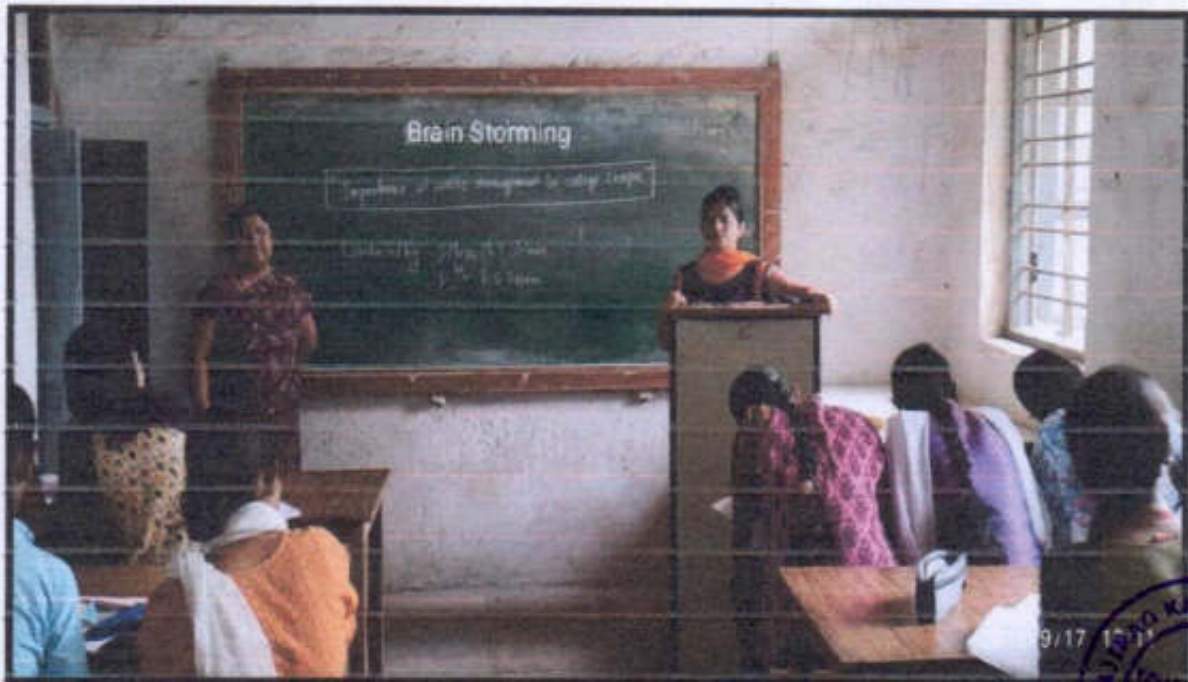

In college, it released that statement that as an institution they "strive to foster a culture of sustainability among the facilities, operations and classrooms of the college". In the last four years, the university (college) has made efforts to implement sustainable waste management practices on college campus through multiple initiatives. Those initiatives include the placement of recycling bins in classrooms, offices, and main spaces so the opportunity to recycle is easily accessible.

- Compost services / organic Recycling :

currently composts green waste generated on campus, which includes grass clippings, leaf litter, and other landscaping related refuse. This green waste is taken to the tierra verde facility in Irvine. composting initiatives lead to its discontinuation. college explored the possibility of providing post-consumer compost bins on campus. this proposition was shelved due to excessive costs and large transportation distances. For this reason, these services have never been offered as an option on the main campus.

- Education and Behavior change:

Environmental education at college has been studied with a particular focus on sustainability education. it was noted in the 2013 audit that the use of the word sustainability was chosen because, "it is the only subject that can successfully marry environmental and earth sciences to sociology, business and economics". the world commission on Environment and Development

Brain storming

Topic - flood and problem & solution

Roll No - 6053

24/9/19.

B.Sc. II
Name -
Srabanti
Sanjay

flood \Rightarrow The natural disasters including earthquake, volcanic eruptions, storming, cyclones, tsunami also the major one which was happened in our city i.e. flood. The etymology flood meaning in English. Flood - Excess of water in areas, villages, town also cities too. The flood concept is related to the water. Before a few days this climatic condition was happened in our areas so this was a tragedy for all mankind. This was a transitory or mortal moment, accidental moment which destroyed each and every thing.

The flood occurred by the very large and tremendous amount of water was expelled from the dams, river banks, ocean, sea too. which was damaged all things. In which the flood make the human inhabitable i.e. basic need food, clothes, shelter this was not exist for their all life. The majorly flood causes by i) melting of ice snow and glaciers and iceberg ii) The door of dams which was opened subsequently meanwhile the water pressure entered in every house of human beings. e.g) dams - Allamatti - Karnataka, river-pancha ganga their was uncountable effects which were harmful and dangerous to mankind. Let's talk about the major disadvantages for man / problems \Rightarrow as follows as \Rightarrow

- ① They were inhabitable
- ② They didn't have some food material basic necessities for sustaining their life on earth.

③ The animals included domestic e.g. cattles, dogs, buffaloes, cats are flow thrashed away. They were float towards the water direction. some of them were died. ④ The fresh water became contaminated, all bacteria which are pathogenic they were present. ⑤ spreading various diseases like Malaria, fever, cough, fatigue, anxiety, pain in body, diarrhoea, constipation, indigestion etc. and badly the medicines were not properly available. ⑥ The clothes, stored materials, ornaments, important documents which were immersed in water / flood. ⑦ The flood destroyed the greenery, velvet, all treasures and make land without soil i.e. dried. ⑧ fouling of water, land was dried so the farmers could not grow crops in their farms, i.e. infertile of soil. ⑨ Numbers of person which was died due to the ^{after} looking that flood i.e. They didn't tolerate this flood. ⑩ flood destroyed vehicles, ^{signals, channels} generator public places, monument i.e. natural & artificial assets etc. This was a bad, miserable picture created by only the "flood" — Disaster / unconditional climatic condition.

solution ⇒ ① Build the safety & protect wall for dams for preventing the excess water flow.
 ② Create meteorological department for announcing flood-condition before the entering water.

- ③ creates electrical signals for signal towards flood. (electrical sockets).
- ④ Instantly call rescue operations, i.e. NDRF team - Jawan.
- ⑤ please plant trees - plantation - ^{Environment} i.e. decrease soil erosion
- ⑥ please help those needed people, take hand those people.
- ⑦ provide all basic necessities i.e. food, clothes, shelter, medicines.
- ⑧ Government should organize programme for better situation, progress from flood. to better future for those people.

BRAIN STROMING

Date - 24-9-2019

Roll No - 6405

Topic - Flood & problems. class - BSc - II

महापुरामुळे निर्माण झालेल्या समस्या.

सध्याच्या भुगत सर्वात मोठे असलेले संकट म्हणजे नैसर्गिक आपत्ती. अनेकदा या नैसर्गिक आपत्तीमुळे सर्व भुतभावरीत्य प्राण्यांना जिवितहानीचा मारा सहन करावा लागला. एकेकदा तर काही ठिकाणाचे संपूर्ण जीवन उद्धवस्त झाले आहे.

2005 साली जो महापुर आला तो काहीस असूच कळून गेला. त्यानंतर तब्बल चौदा वर्षांनी म्हणजेच सध्या चालू असलेल्या 2019 साली जो महापुर आला त्यानंतर पुणे महाराष्ट्र राज्य नव्हे तर दुसऱ्या काही राज्यातही हाहाकार मानवला. 2005 मध्ये झालेल्या महापुरापेक्षा 2019 साली झालेल्या महापुराच्या पाण्याची पातळी कितीतरी पलीने जास्त होती.

महापुराच्या परिस्थितीमुळे कितीतरी लोकांचे जीवन उद्धवस्त झाले आहे. कितीतरी लोकांना त्यांच्या हक्काची जागा सोडून दुसरीकडे स्थलांतरित व्हावे लागले आहे. अजुनही होऊन गेलेल्या महापुरामुळे कितीतरी घिमुकली आपल्या आईबाबांसाठी आणि कितीतरी आईवधा आपल्या घिमुकल्यांसाठी ओकसाबीक्सी रडत आहेत. पुर परिस्थितीमध्ये झालेली ती जिवितहानी कितीतरी कुटुंबां उद्धवस्त करून आणि ही परिस्थिती बघताच्या लोकांच्या काळजाला सव लागून गेला.

अजुनही काही ठिकाणी पुरामुळे उद्धवस्त झालेले होती आणि घरे उल्ल्यात अड्डा मारतात. कित्येक शेतकऱ्यांच्या शेतीमधील पिकांच्या एक अंगुरलेला कोवही पुसपुर पुरामुळे दिसेनासा झालाय. अनेक ठिकाणी पुरामुळे सारलेल्या हात पाण्यामुळे संसर्गजन्य रोग पसरून ठिकाळिकाणी रोग्यांची संख्या वाढत आहे. अनेक ठिकाणी अजुनही खायला अन्न आणि राहायला घर नाही. अनेक शाळकरी मुलांना अजुनही शाळेचा दरवाजा आणि कपडे बघायला मिळाली नाहीत. या सर्व संकटांना जबाब कोण? आपणच जरा विचार कर

मानव जातीच ~~सक~~ जीवन यकामध्ये हाडणाऱ्या फेरबदलांमुळे हे संकट ओढावले आहे.

उपाय -

- १) पुरामध्ये आवेण्या वुकसानाचे वुकसानाची भरपूर करव्या साठी सर्व मोठ्या कंपन्यांनी, सरकारने आणि सामान्य लोकांनी जमेत तेवढी मदत जमा करावी.
- २) पुरामुळे निर्माण आवेण्या शीगरीपासून लोकांचे संवक्षण करव्यासाठी काही मोठ्या हॉस्पिटलनी पुढाकार घ्यावा.
- ३) प्रत्येकाने आपल्याला होईत तेवढी अन्न आणि वस्त्रांची पुरवठा पुरवठा करावा.
- ४) नद्यांच्या पात्राचे आणि पुत्रांचे रुंदीकरण करावे आणि दारणांचे अधिक मजबुतीकरण करावे.
- ५) पावसाका प्रहलुव्या अगोदर द्योक्याच्या ठिकाणी असलेल्या गावांचे श्रव्यांतर करावे.

Report

अहवाल

महाविद्यालयातील बी. ए. भाग १ या वर्गासाठी दि १७/०८/२०१९ रोजी "डॉ. ए. पी. जे. अब्दूल कलाम" या विषयावर "बुद्धीमंथन" उपक्रम आयोजित करण्यात आले होते. सदर उपक्रमामध्ये एकूण ४५ विद्यार्थी सहभागी झाले, सदर उपक्रम दरम्यान विद्यार्थ्यांनी स्वयंस्फूर्तीने डॉ. ए. पी. जे. अब्दूल कलाम यांच्या जीवनातील कठीण व आव्हानात्मक प्रसंगांबद्दल चर्चा करून विद्यार्थ्यांना दैनंदिन जीवनात अशी जीव बाळगण्याचा आशावाद व्यक्त केला.

तसेच या प्रकारचे उपक्रम भविष्यातही आयोजित करणे बाबत विद्यार्थ्यांनी आवड दर्शविली.
