Our College has registered Alumni Association under Societies Registration Act 1860/21 (Registration No. MAH/20673/Kop Dt. 10/02/2005). The association has also constituted an executive committee of members and a general body consisting of all registered members. Students who have completed UG or PG from the college are eligible to register as members of Alumni Association. The structure of the Alumni Association consists of an executive committee of 22 members. Apart from the executive committee meetings all the departments conduct alumni meetings at the departmental level. At times offline, due to the Kovid-19 pandemic, the college organized an online alumni meet. At present it is taken online. Alumni fairs are organized every year at the college level and some departments have organized fairs at the departmental level as well. Academic, Sports, Cultural, NCC, NSS and many activities of various departments discuss the success of the college and take feedback which is helpful in formulating future plans. Along with educational aid like books, computers etc., aid is sometimes given in the form of cash through alumni. Alumni are invited as guests of honor in various programs and activities of the college. Alumni of the college are contributing to policy making through their representation in statutory and academic committees of the college like CDC, ICC, IQAC etc.
